Hixburg

Hixburg, Sept. 22.- On Thursday afternoon, the Pamplin Home Demonstration Club assembled in the spacious living room at the home of Mrs. Walter Payne. Fourteen members were present, with one new member, Mrs. Patrick Lair, who has recently moved into the neighborhood.

Mrs. Eric Robinson, home economist at Vesco in Farmville, demonstrated the proper light fixtures to be used throughout the home. Emphasis was on correct lights for reading and studying, and the use of sight-saving bulbs.

Mrs. Frank Irving, the outstanding gardener in this community, explained the use of mulches for flowers and vegetables. Old sawdust was recommended when put on one inch thick.

Mrs. Jim Williams, the president, announced that the club would prepare and serve the Raritan dinner on October 9, at 7:00 P. M., in the Pamplin Elementary School cafeteria.

Mrs. Rob Martin was chosen as chairman of the food committee. She selected Mrs. Patrick Lair, a former dietician, and Mrs. Bob Covington to assist her.

As it will be Ladies Night, a large crowd is expected.

After the meeting, a dessert plate was served by the hostess. The next meeting will be held in the home of Mrs. Jim Carson.

Mr. and Mrs. Edwin Fore attended the funeral of his uncle, L. Talmage Davis on Wednesday in Lynchburg. The interment was in Forest Lawn Cemetery in Richmond. Mr. Davis passed away at Virginia Baptist Hospital on Monday. He was the last member of a large family, who attended school at Hixburg.

For many years he had taught in E. C. Glass High School, in Lynchburg. He is survived by his wife.

Mrs. Boyd Ford, who had a rather severe case of virus infection, is improving in her daughter's home in Fredericksburg. She will remain several weeks longer to regain her strength.

John Goin attended the Soil Conservation School, in Conahocton, O., from August 15 to Sept. 4. That is the oldest center of that kind in the world. Only four Virginians were present. One member came from Indonesia, and another from Turkey.

Mr. Jimmy Guild and family visited the Eugene Seamen on Sunday.

Major W. M. Ervin, Jr., of Wiesbaden, Germany, spent Tuesday in the home of his aunt, Miss Maggie Hix.

Mrs. W. M. Erwin, Major Erwin's mother, accompanied him from N. C. She will spend a week in the home of Miss Maggie Hix, her sister.

Miss Carrie Hix plans to leave this Thursday, October 21, for Richmond, where she will be for several days.

The Lucky Clover 4-H Club won many prizes at the Five - County Fair in Farmville last week. The following is a list of the winners:

1. Percy Lucado: Grand Champion on Chickens. First for Record Book.
2. Phillip Lucado: first on rabbits.
3. Anne Martin: second on Record Book; first on Canning.
4. Luella Martin: first on dress revue.-First on dress.
5. Patricia Covington: first on cookies.
6. Elcise Rosser: first on vegetable basket, second on cookies.
7. Eddie Covington: third on Holstein calf.
8. Earl Covington: third on registered Holstein calf.

DEATHS

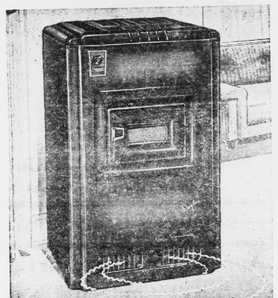
MR. RANDOLPH O'BRIEN

Mr. Randolph O'Brien, 53, son of the late Joe O'Brien and Rachel Caldwell O'Brien, of Appomattox, died in Richmond suddenly Wednesday, Sept. 16.

He is survived by his wife, Mrs. Erma Klien O'Brien, one brother, Otway O'Brien, of Lynchburg, four sisters, Mrs. J. Ellis Brame, Jr., of Chase City; Mrs. Harold Bendler, of Virginia Beach, Va.; Mrs. J. M. Scholeffee, of Granfield, Kan., and Mrs. M. C. Kellam, of Ashville, N. C.

Mr. and Mrs. J. C. Caldwell and Mrs. Clara Davis attended the funeral in Richmond on Friday.

HEATS UP TO 8 ROOMS
at the cost of 4



the beautiful, new Siegler PATENTED FORCED-AIR OIL HOME HEATER

Now gives you FULL HOUSE HEATING with the miracle of SUPER FLOOR HEAT

and there are no costly pipes and registers to install!

Does an ordinary heater force you to live in one or two rooms when the temperature drops? That's because the heat goes out the chimney or piles up on the ceiling. Siegler cuts this waste, cuts your fuel bills and gives you warm floors in every room of your home. Why? Because only Siegler has the patented Inner Heat Tubes and built-in Blower System. Bible Baptist Church Plans Church Dedication Services

On March 1, 1953, the Bible Baptist Church of Appomattox was organized in the high school auditorium, with twenty-seven charter members. Soon thereafter a service station was purchased and converted to accomodate the congregation.

On September 27, 1959, the congregation will dedeicate its newly constructed $35,000 church building.

Services for the day will include: Sunday School at 10:00 A. M.

Morning Worship at 11:00 A. M., with the sermon by the pastor, Rev. Randolph Hite.

Fellowship lunch at 12:30 P. M.

Special Song Service beginning at 2:00 P. M.

Rev. W. C. Bradley, pastor of the Southall Baptist Church, of Danville, Va., will bring a special dedication message immediately following the song service.

The new facilities with nearly five thousand square feet of floor space house an auditorium with seating capacity of two hundred, nine class rooms, a church office, nursery, and a heated baptistry decorated by a beautiful mural painting. Construction began the first of March, and much of the labor and materials were donated by members of the congregation and interested friends, which lessened considerably the actual cost.

Each night, September 27 through October 3, at 7:30 o'clock, Rev. G. Thornton Hall, pastor of the Central Baptist Church, of Newport News, Va., will be conducting evangelistic services at the Bible Baptist Church. This series of services will be dedicated to saving the lost, reviving the saints, and fellowship with God's people. Everyone is invited to attend.

The Bible Baptist Church is an independent, fundamental, premillennial, missionary Baptist Church. The church does not hold organic union with any association or any other religious group and maintains a firm stand upon fudamental doctrines of the Bible.

The name of the church is not a denominational name, but rather an emphasis on the importance, infallability, and authoritativeness of the Holy Scriptures among Baptists.

QUESTIONS OF THE WEEK

(Editor's note: Here are the questions asked most frequently by Virginia farmers during the past week, as reported by county agricultural agents. Staff members of the VPI Agricultural Extension Service and/or Experiment Station supply the answers.

Q. What is killing my strawberries?

A. Black root rot is fairly widespread in Virginia at present. This term is used to cover a multitude of sins, and losses can be caused by any condition unfavorable to the plant.

Q. What materials, if any, will keep skunks out of a new housing development area?

A. There is no repellent which is satisfactory. The best solution is live-trapping and removing the skunks from the areas.

Q. How late can alfalfa be cut in the fall in southern Piedmont?

A. In any area, alfalfa should not be cut later than three or four weeks before the average date of the last killing frost, if the field is to remain in alfalfa. If the alfalfa is to be plowed under, cut it any time before frost.

Q. Will there be any change in flue-cured tobacco allotments for 1960?

A. That is anybody's guess.

Q. How can I control scale on ornamentals?

A. Spray with malathion.

Q. How can I best propagate African violets?

A. They can be propagated from single leaves. Cut a full grown leaf with one inch stem. Insert the stem in sand and peat moss or vermiculate with the material pressed against the stem. Setting the leaf beam on a slant will help.

Q. What is causing all my boxwood plants to die back. They usually start dying from the top center of the plants.

A. This is a widespread and perplexing trouble in Virginia now. Scientists don't know the exact causes, and research is underway now in an effect to find the causes and solution of the problem. Poor growing conditions undoubtedly can contribute to the trouble, and nematodes are suspect.

Law And Disorder

Northampton, Mass.- Some motorists would have fumed. This one acted.

Forced to drive up an embankment to escape collision with a speeding driver, he wheeled about and overtook the offender after a 3-mile chase.

Subsequently William F. Francisco, Jr., 18, was fined $40 after pleading guilty to speeding and violating the law of the road.

The motorist he crowded was Police Chief Ernest Jay, of nearby Belchertown.

BIRTHDAY GATHERING HELD IN HONOR OF MRS. EMMA B. THOMAS

On Sunday afternoon, September 20, a very unique birthday celebration was held for Mrs. Emma Baker Thomas. Friends and relatives of four generations gathered to honor and pay tribute to her on her ninetieth (90th) birthday. More than one hundred guests called during the afternoon, presenting her with gifts and extending best wishes.

A two-fold feature of the occasion was the presentation of a life membership in the Evergreen W. S. C. S. to Mrs. Thomas, and one of her lifetime friends, Mrs. Maude Ranson, who recently celebrated her eightieth (80th) birthday. They were awarded gold pins and certificates by the members of the W. S. C. S. The presentation was made by the president, Mrs. Jessie Carwile. Prayer was offered by their pastor, Rev. C. P. Price. Mrs. Thomas is the oldest member of the Evergreen Methodist Church, to which she has been faithful and loyal through the years.

Her friends will always remember her for her wise counsel and wonderful sense of humor.

A two-tier birthday cake and punch featured the refreshments.

WEEKLY NEWS LETTER OF TOWN MAYOR

To the Citizens of
The Town of Appomattox:

The regular meeting of the Town Council was held Monday, Sept. 21. The Council unanimously elected H. B. Pack to serve the term of the late C. K. Hunter, and Mrs. Calvin Robinson was unanimously elected President of the Council.

A public hearing was held in the court house at 7:30 P. M., concerning the extension of Sunnydale Ave. to a point where it would connect with Wembly Lane. During the hearing testimony was given by many of you fine people, both favoring and opposing this project. I feel sure that after hearing these views the council will be in a position to make a definite decision about this street in the very near future.

During the past two weeks, the town has received some complaints concerning the color and odor of the water in some of your homes. I want to assure everyone at this time that the town water has been tested very recently by the Health Dept. and the town has been assured that the water is free of bacteria. According to all information given the town by the Health Dept., both the color and odor of the water is being caused by an iron content in the water pipes. It is believed that in the very near future the town will be able to solve this problem by continuing to flush the water mains at various intervals. I plead with all of you fine people to give us your continued patience and we in turn apologize for any inconvenience that this condition may have caused you.

Once again I ask everyone to review the ordinance which was passed by the council concerning the parking meters, that will go into effect as of October 1st, 1959. Should there be any question, feel free to call any of your town officials.

Beginning Sunday, Sept. 27 Church Street from the intersection with Rt. 460 to the intersection of Lee-Grant Ave., and Main Street will be swept and cleaned during the early morning hours, so let's everyone make sure that we do not leave our vehicles parked on the streets in these areas. This is most important, so please give the Town Employees your full cooperation.

Again let me commend all of you fine citizens for your spirit and cooperation toward helping to clean and beautify our community. Let's continue this fine program.

Your counsel and advise on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.,
Mayor, Town of Appomattox.

SPOUT SPRING SCHOOL CAFETERIA MENU
